

CHANAMON RATANALERT

EXPERIENCE

User Experience Designer

Apple Inc. 8.2015 - 2.2017, 10.2017 - Present

Concepted and designed experiences around products used by employees at Apple. Created high-fidelity mockups and assets for development. Collaborated with other designers, developers, and business. Conducted and analyzed user research.

Accessibility Project Manager / Engineer

Apple Inc. - London 2.2017 - 8.2017

Designed experiences for Apple's internal Global Accessibility Awareness Day events. Coordinated with global teams to plan and execute event. Audited applications for accessibility issues.

Designer / Research Assistant

CMU HCI Institute 6.2013 - 5.2014

Worked with PhD candidate and research team to develop iPad application aimed to help special educators in data collection. Designed user-centered mockups of new and redesigned features. Built website to promote and educate about project.

Teaching Assistant

Carnegie Mellon University 9.2012 - 12.2014

Reconstructed learning material to ease student learning. Analyzed student progress to facilitate proper absorption of material.

Spring Carnival Booth Chair

Asian Students Association 10.2012 - 4.2013

Designed and planned the creation of two-story structure relating to a theme for competition. Delegated tasks and managed 20+ members for four months.

PROJECTS

Capstone Project Manager

Animal Rescue League 1.2015 - 5.2015

Led a five-person team to design and develop and system for intaking animals at a Pittsburgh animal shelter. Managed project process, conducted user interviews, tested multiple prototypes.
